Dear Parents /Caregivers,

The school is updating our record for students with asthma. We are now required to establish a Health Care Plan with parents, for children with **severe** asthma. (You may need to check with your doctor to determine if your child has **severe** asthma). Your child's health condition may have also changed since enrolment time, hence the update.

Would you please complete the form below and return it to the office as soon as possible.

Thank you for your support in managing your child's health and wellbeing.

K. Paton  
Principal

K. Trevena  
Leader of L&S Team
