FROM THE PRINCIPAL

Dear Parents & Caregivers

Welcome to a new year at Harrington Park PS! We especially welcome our new students, including our kindergarten who have all started very well! Staff took many hours to ensure student placements for 2020 were as best as they could be and we are very excited that our students are now in their classes.

We've certainly experienced extremes in weather and we are glad to have students outside playing most break times this week.

We have many things to share, including that our swimming carnival went swimmingly well.

We will be holding our Parent/Teacher interviews in week 5. After feedback from the community, parents felt individual interviews would be more beneficial than a group setting. We will be providing opportunities for further feedback from the community after the interviews.

We have had our first P&C meeting for the year and it was wonderful to see so many new faces. We look forward to working with these very dedicated community members and look

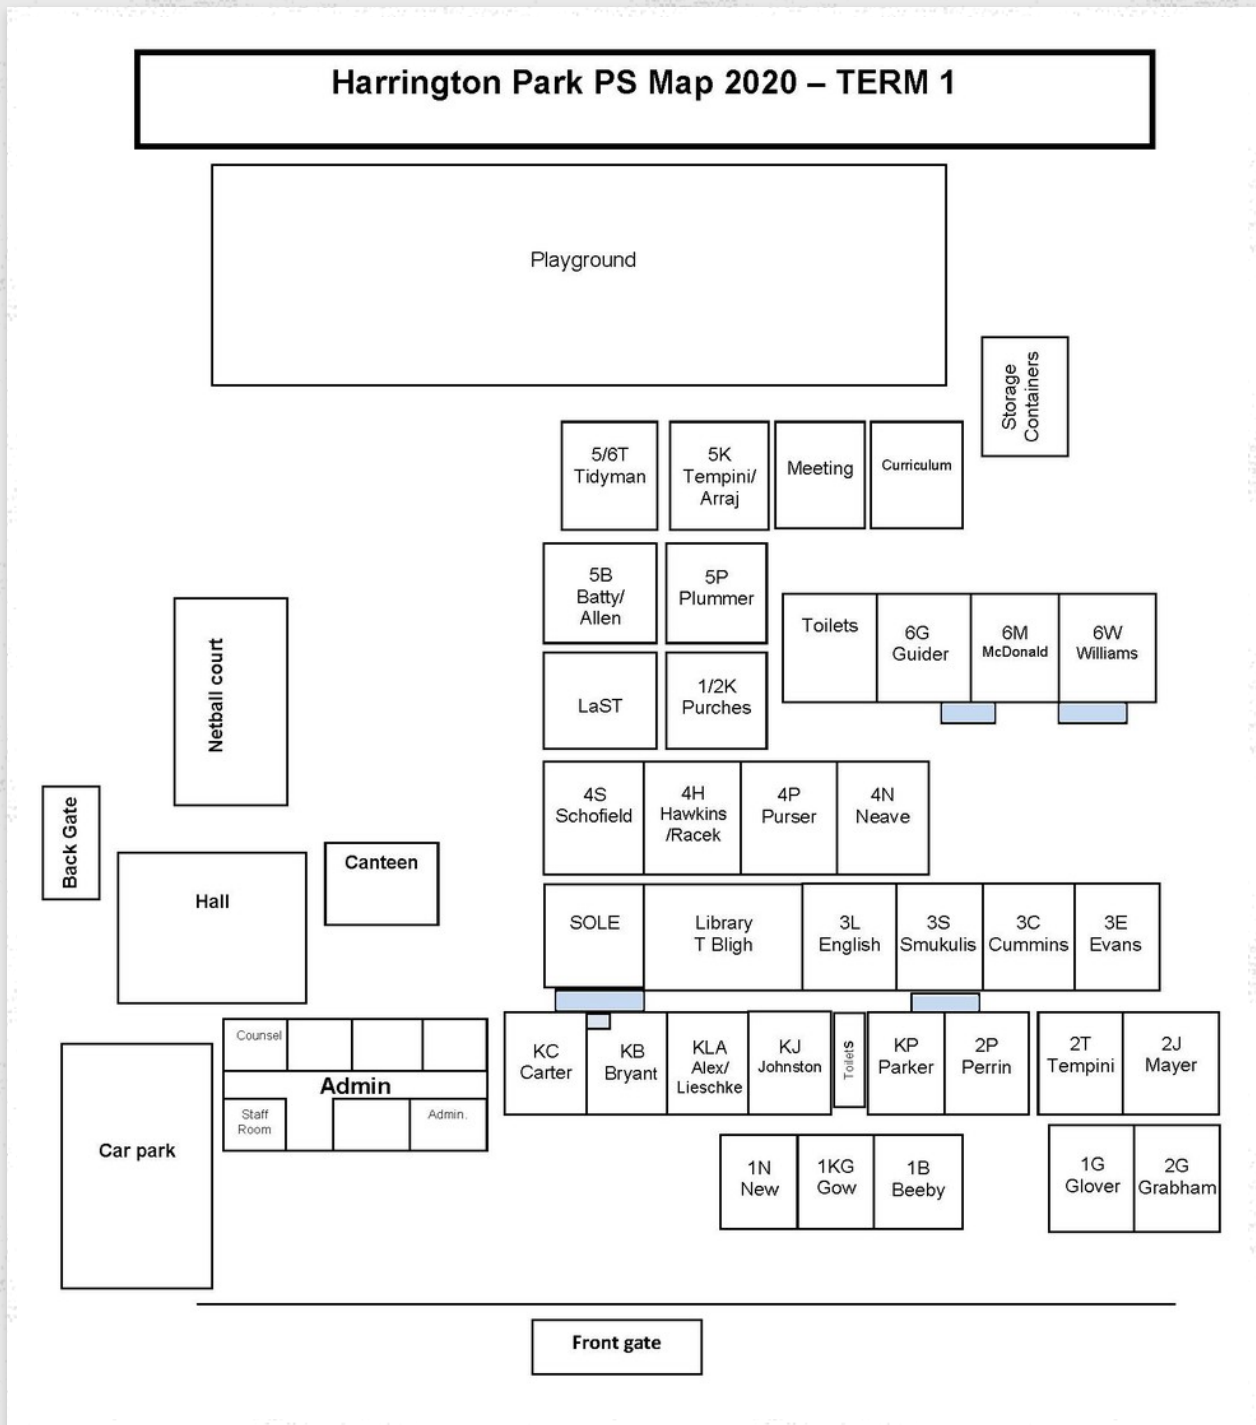

forward to seeing everyone at the AGM on March 3.

A school map has been included below to help you identify where our classrooms are for 2020.

Have a wonderful week

Best wishes,
Kelly Paton
Principal

SUPPORTING EQUITY

You will have heard the news regarding Novel Coronavirus on the television, radio, internet or social media. While this news can be upsetting for many people it is important that we work together to support those who have been in the impacted areas. It is also very important that we don't assume people who have a Chinese or other Asian background are linked to the spread of the Novel Coronavirus. Anti-Asian language and behaviour, or any other form of racism is unacceptable and will not be tolerated in our school community.

ROAD SAFETY... KEEPING OUR STUDENTS SAFE AT ALL TIMES

Our teachers have been reinforcing the importance of basic road safety and stranger danger over the last week. Please follow up with discussions at home about the importance of being **cautious and focused** as a pedestrian and/or cyclist. As drivers, please adhere to school zone speed limits and be aware that children can be unpredictable and difficult to see around parked cars.

Kiss and Ride Zones, such as the one located at the front of the school, are designed for your convenience and for your child's safety. Designed for quick entry and exit, these zones minimise congestion and risk when used properly by all parents and carers. These zones operate under the same conditions as no parking zones, which means you may stop to drop off or pick up children for a **maximum of 2 minutes**. You're required to remain in, or within 3 metres of, your vehicle.

To assist with the operation of this zone and ensure safety along the footpath area outside the front of the school, we are asking students to assemble on the western side of the front gate (Harrington Parkway side). This allows for clear pedestrian access from the school gate and encourages **drivers to move down and fill the full length of the Kiss and Ride Zone**. Following this procedure should allow the drop off/pick up zone to operate as efficiently as possible.

Please remember to slow down and **halt before the stop line** when a pedestrian or the School Crossing Supervisor is on the crossing or waiting to cross. – and remain stopped until all pedestrians leave the crossing. Please be patient as the School Crossing Supervisor follows the procedure of stopping traffic while students cross.

Ms Rachel Essex
Deputy Principal

Road safety

Keeping safe around school crossings

For your child's safety, it's very important to ensure they use the school crossing.

At all crossings you must wait on the footpath, at least one step back from the edge of the road.

If there's a School Crossing Supervisor, wait until they have stopped the traffic and called you to cross.

If you are driving, you must not proceed until the School Crossing Supervisor's hand-held sign is no longer displayed, or until the crossing supervisor indicates that you may proceed through the crossing.

Children's crossings

Children's crossings are usually part-time crossings that operate before and after school hours. They can also operate at other times when children use the crossing for excursions or during break times. When 'Children Crossing' flags are displayed, you must stop at the white line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians.

MORNING DUTY OF CARE

Our teachers are on duty at school from 8:30am each morning. Unfortunately we have noticed a growing number of students arriving before this time in the mornings. These children are unsupervised. We urge all parents not to send their children to school before 8:30am. We realise that work commitments have an impact, however, should this be an issue for you please consider before school care providers such as Camp Australia.

DANGEROUS PARKING ISSUES

There have been many complaints and concerns raised regarding parents dropping children off in the entrance of the staff carpark. Then reversing out, narrowly missing children who are crossing the road.

This is a great concern and we please ask you to refrain from stopping here to let your children out, as it places other children in danger.

Thank you for your co-operation.
